SALIENT POINTS OF THE PROPOSED AMENDMENTS TO THE COMPETITION ACT 2010 (ACT 712)

No	Section	Salient Points of the Proposed Amendment of Act 712
1.	<p>2</p> <p>Interpretation</p> <p>(Existing Provision)</p>	<p>The proposed amendment to Section 2 of Act 712 introduces the definition of “<i>anticipated merger</i>” which refers to any form of contract, arrangement or understanding, whether or not legally enforceable, between enterprises, that is in progress or contemplation and that, if consummated, will result in the occurrence of a merger referred to in section 10B;</p> <p>The term “<i>anticipated merger</i>” is applied to almost all of Act 712's merger-related provisions. Thus, it is critical that the word “anticipated merger” be defined by the statute in order to provide clarity to any enterprises that are contemplating a merger.</p> <hr/> <p>The current definition of “<i>Commission</i>” is proposed to be amended under Section 2 of Act 712.</p> <p>It is proposed that the word “Malaysia” be added to the meaning of the term “<i>Commission</i>” to provide clarity and maintain consistency between the Commission's publicly recognised name and the legislative definition of the term “<i>Commission</i>” in Act 712.</p> <hr/> <p>The proposed amendment to Section 2 of Act 712 is to include a definition for the term “<i>computer</i>”.</p> <p>The aim of including a definition of “<i>computer</i>” in Act 712 is to define precisely what constitutes a computer for the purpose of an investigation under Act 712.</p> <hr/> <p>The proposed amendment to Section 2 of Act 712 is to include a definition for the term “<i>computerised data</i>” that was used in sections 24, 25, 27, 28, 29, 30, 31 and 62 of Act 712.</p> <p>Defining the term “<i>computerised data</i>” would avoid ambiguity about what constitutes computerised data; cater to the growth of development in the digital platform market; and facilitate the retrieval of evidence in the form</p>

		<p>of algorithms and other types of evidence in digital form that may not fall within the definition of computerised data.</p> <hr/> <p>The proposed amendment to Section 2 of Act 712 is by adding the definition of “<i>conveyance</i>” into the Act.</p> <p>The power of the Commission to conduct search and seizure with a warrant is provided by section 25 of Act 712; while the power to conduct a search and seizure without a warrant is provided by section 26 of Act 712.</p> <p>Currently, Act 712 is silent on whether the Commission has the power to conduct a search and seizure of a vehicle.</p> <p>To avoid any ambiguity in the exercise of its power to conduct search and seizure under section 25 and section 26 of Act 712, the definition of the term “<i>conveyance</i>” is inserted into Act 712 to give the Commission an express power to conduct search and seizure on a vehicle to look for evidence to establish an infringement of the prohibitions under Act 712.</p> <hr/> <p>The proposed amendment of Section 2 of Act 712 seeks to provide the definition of “<i>date of service</i>”.</p> <p>The inclusion of the definition for the term “<i>date of service</i>” into section 2 of Act 712 is to provide for the method of service of notice and the computation of days of the service of the notice.</p> <hr/> <p>The current definition of “<i>direction</i>” is proposed to be amended under Section 2 of Act 712.</p> <p>The amendment to the definition of the term “<i>direction</i>” is consequential to the inclusion of the merger control regime into Act 712. Part IIIA provides for the investigation and enforcement of mergers or anticipated mergers. Part IVA provides for the merger or anticipated merger decision by the Commission.</p>

No	Section	Salient Points of the Proposed Amendment of Act 712
		<p>The current definition of "<i>enterprise</i>" is proposed to be amended under Section 2 of Act 712 to ensure clarity and to avoid anti-competitive conduct to escape the scrutiny of the law due to technical loopholes in the current definition of the term "<i>enterprise</i>".</p> <p>Following the current definition of enterprise in section 2 of Act 712, only entities that engage in commercial activity relating to goods or services are subjected to the Act. The following amendments are proposed to be made to the definition of "enterprise" in section 2: -</p> <p>a) Replacing the usage of the term "<i>entity</i>" with "<i>person</i>".</p> <p>By replacing the term "<i>entity</i>" with "<i>person</i>", it will be clear that the legal status of the person is not relevant in determining whether the person is subjected to the prohibitions under Act 712 or not; as long as the person is engaged in commercial or economic activities in the market;</p> <p>b) Insertion of the term "<i>economic activities</i>" into the definition of enterprise.</p> <p>To achieve Act 712's overall goal of promoting and protecting the process of market competition, the concept of economic activity must be incorporated into the definition of "<i>enterprise</i>", as this will ensure that enterprises will escape from being subjected to the prohibitions under Act 712 by claiming that they did not engage in the commercial activities of the offering of goods or services in the market;</p> <p>c) Insertion of the wording "<i>regardless of its legal status and the way in which it is funded</i>" into the definition of enterprise.</p> <p>It is proposed for the words "<i>regardless of its legal status and the way in which it is funded</i>" to be inserted into the definition of enterprise to make it clear that the legal form of an enterprise that engaged in commercial or economic activity is irrelevant for the purposes of Act 712.</p>

No	Section	Salient Points of the Proposed Amendment of Act 712
		<p>As long as a person, whether incorporated or unincorporated, engages in commercial or economic activity in the market in Malaysia, the person is considered to be an enterprise that is subjected to Act 712.</p> <p>Thus, the person will be prohibited from engaging in anti-competitive conduct regardless of its status and the way in which it is funded;</p> <p>d) Removal of the circumstances which render a parent and subsidiary company to be regarded as a single enterprise</p> <p>Since the Commission must invoke the single economic entity doctrine whenever there is a parent and subsidiary relationship, the provision may be misused by enterprises that wanted to escape their liability for engaging in anti-competitive conduct.</p> <p>Although the single economic entity doctrine is removed from the definition of enterprise under section 2 of Act 712, the Commission and the enterprises will still be able to apply the doctrine of the single economic entity on a case-to-case basis depending on the facts and circumstances of the case – an approach that has been adopted so far by the EU, the UK, Singapore and India.</p> <p>The proposed amendment of Section 2 of Act 712 seeks to provide the definition of “<i>government entity</i>”.</p> <p>Act 712 currently does not contain the definition for the term “<i>government entity</i>”. Thus, the purpose of the inclusion of the definition for the term “<i>government entity</i>” is to provide clarity on the meaning of the term “<i>government entity</i>” within the scope of Act 712.</p> <p>The proposed definition also aimed to cover most instances where there is a delegation of authority by the government to another entity. This is to provide clarity for the purposes of Act 712, that any person acting under or on behalf of the Federal Government, State Government or local authority will also fall within the definition of “<i>government entity</i>” under section 2.</p>

No	Section	Salient Points of the Proposed Amendment of Act 712
		<p>The proposed amendment of Section 2 of Act 712 seeks to provide the definition of “<i>premises</i>”.</p> <p>The definition of the term “<i>premise</i>” is incorporated into Act 712 to avoid any ambiguity in the exercise of its power to conduct search and seizure following section 25 and section 26 of Act 712,</p> <hr/> <p>The proposed amendment of section 2 of Act 712 seeks to introduce the definition of “<i>threshold</i>”.</p> <p>The main purpose of providing a definition for the word “<i>threshold</i>” is to give effect to Section 10J and provide clarity to merger parties.</p> <p>Some countries have set a notification threshold in their legislation, while others address notification in their practice standards or guidelines.</p> <p>The Commission believes that in the case of Malaysia, the threshold should be prescribed in accordance with the manner provided by section 10J of Act 712.</p>
2.	<p style="text-align: center;">3</p> <p style="text-align: center;">Application</p> <p style="text-align: center;">(Existing Provision)</p>	<p>The current section 3 of Act 712 is proposed to be amended as the following: -</p> <p>a) The inclusion of the words “<i>economic activity</i>” into the section 3.</p> <p style="padding-left: 40px;">This amendment is consequential to the amendments made to the definition of “<i>enterprise</i>” in section 2.</p> <p>b) Further amendment to section 3(3).</p> <p style="padding-left: 40px;">The amendment to section 3(3) is to cater to the inclusion of the merger control regime into Act 712. The amended section 3(3) is to be read together with the newly inserted section 3(3A) which provides for the power of the Commission to provide its opinion to other regulators on merger transactions that are excluded from the application of the merger provision under Act 712.</p>

No	Section	Salient Points of the Proposed Amendment of Act 712
		<p>The amendment to section 3(3) will also require the Minister to act on the recommendation of the Commission in amending the First Schedule of Act 712 which is in line with the function of the Commission as stated in section 16 of Act 713.</p> <p>This provision <i>inter alia</i> states that the Commission shall advise the Minister on all matters concerning competition, act as an advocate for competition matters and consider and make recommendations to the Minister on reforms to the competition laws.</p> <p>c) Insertion of the new subsection 3A into section 3 of Act 712.</p> <p>The introduction of a new subsection 3(3A) into Act 712 allows the Commission to provide its opinion to government entities or enterprises on whether mergers that are not subjected to Act 712 have resulted or may be expected to result in a substantial lessening of competition within any market for goods or services in Malaysia.</p> <p>d) Further amendments to section 3(4).</p> <p>(i) Removal of the words “<i>indirect</i>” and “<i>governmental authority</i>” in section 3(4)(a)</p> <p>The removal of the word “<i>indirectly</i>” and “<i>governmental authority</i>” was done to avoid the uncertainty and ambiguity of whether or not a particular activity was carried out in the exercise of governmental authority; thus, excluded from the application of the Act.</p> <p>(ii) Only activities carried out directly in the lawful exercise of the function of the Federal Government and the State Government will be exempted from being subjected to Act 712 under section 3(4)(a) In order for a particular anti-competitive activity to be exempted from the application of Act 712 on the basis that it was carried out in the lawful exercise of federal or state government functions, it must be demonstrated that the activity was carried out directly in the lawful exercise of those functions.</p>

No	Section	Salient Points of the Proposed Amendment of Act 712
		<p>Section 3 of the Interpretation Act 1948 (Act 388) defines the term “<i>Federal Government</i>” as the Government of Malaysia; while the term “<i>State Government</i>” as the Government of a State.</p> <p>(iii) Changing the word “<i>and</i>” to “<i>or</i>” for section 3(4)</p> <p>Using the word “<i>and</i>” instead of “<i>or</i>” in section 3(4) would mean that the conditions stated in subsections (a), (b) and (c) are to be read cumulatively instead of disjunctively.</p>
3.	<p style="text-align: center;">5</p> <p style="text-align: center;">Relief of liability</p> <p style="text-align: center;">(Existing Provision)</p>	<p>The current section 5 of Act 712 is proposed to be amended by: -</p> <p>a) Renumbering of section 5 to section 5(1).</p> <p>b) Inclusion of the words “<i>while allowing consumer a fair share of the resulting benefit</i>” in section 5(1)(a). It is proposed for section 5(1)(a) to be amended to include a condition that an anti-competitive agreement may be exempted under section 5 of Act 712 if the benefits arising from the agreement are also fairly enjoyed by the consumer and not just by the enterprise alone.</p> <p>The proposed inclusion of the wording “<i>while allowing consumer a fair share of the resulting benefit</i>” in section 5(1)(a) will provide the Commission with a quantifiable standard to use in determining whether or not to allow the anti-competitive agreement prohibited by section 4 of Act 712 is to be relieved of its liability under section 5.</p> <p>c) The removal of the word “<i>completely</i>” and the inclusion of the words “<i>the possibility</i>” in section 5(1)(d).</p> <p>The current wording of section 5(1)(d) <i>inter alia</i> imposes a condition that for an anti-competitive agreement to be relieved of its liability under section 5, the agreement must not allow the enterprise involved to eliminate competition completely in respect of a substantial part of the goods or services.</p>

No	Section	Salient Points of the Proposed Amendment of Act 712
		<p>It is proposed that the word “<i>completely</i>” in section 5(1)(d) is to be removed and the section now reads as “<i>the agreement does not allow the enterprise concerned the possibility of eliminating competition in respect of a substantial part of the goods or services in question</i>”.</p> <p>d) Insertion of the new subsection (2) to section 5.</p> <p>This provision is to establish that the burden of proof for claiming relief of liability lies on the enterprise and not on the Commission.</p>
4.	<p>10</p> <p>Abuse of dominant position</p> <p>(Existing Provision)</p>	<p>The current section 10 of Act 712 is proposed to be amended by inserting a new subsection (5) to section 10 to provide that any enterprise that engages in abuse of dominant position conduct shall be liable for any infringement of the prohibition.</p> <p>Section 36, 39 and 40 of Act 712 <i>inter alia</i> states that the Commission is empowered to decide on whether the prohibitions under Act 712 have been infringed.</p> <p>Section 4 contains a provision under subsection (3) which states that any enterprise which is a party to an agreement that is prohibited shall be liable for infringement of the prohibition.</p> <p>There is no provision in the existing section 10 which states that any enterprise that abused its dominant position shall be liable for an infringement. Therefore, the proposed amendment to the provision seeks to elucidate that an enterprise that engages in abuse of a dominant position shall be liable for an infringement.</p>
5.	<p>10A</p> <p>Mergers or anticipated mergers that substantially</p>	<p>The purpose of section 10A is to: -</p> <p>a) Create a new infringement provision in Act 712 by prohibiting mergers or anticipated mergers, if consummated, that may result in a substantial lessening of competition (SLC) in any market for goods or services; and</p>

	<p>lessen competition are prohibited</p> <p>(New Provision)</p>	<p>b) Provides the legal standard that will be relied upon by the Commission in determining whether to prohibit or allow a merger or an anticipated merger from happening.</p> <p>Any merger control regime based on competition law must establish a substantive standard for determining whether a particular merger should be amended or prohibited.</p> <p>As a result, when a government decides to implement a merger control system as part of its competition law framework, it must first select which substantive criterion it will apply to evaluate whether a merger should be allowed or prohibited based on competition law principles.</p> <p>The Commission proposes to adopt the “<i>substantial lessening of competition</i>” test (also known as SLC) as the substantive standard for assessing the anti-competitive effects of mergers in Malaysia.</p> <p>In Malaysia, the Malaysian Aviation Commission Act 2015 (Act 771) also contains a prohibition of mergers that results or may be expected to result in a substantial lessening of competition in any aviation market.</p>
6.	<p>10B</p> <p>Merger</p> <p>(New Provision)</p>	<p>Section 10B seeks to provide for the circumstances in which a merger is said to have occurred for the purposes of Act 712 and may be subjected to the prohibition under section 10A of Act 712.</p> <p>Under section 10B, there are four circumstances in which a merger is said to have occurred: -</p> <ul style="list-style-type: none"> a) Two or more previously independent enterprises combine into one single enterprise and cease to exist as separate legal entities; b) The acquisition of direct or indirect control of the whole or part of one or more enterprises; c) The acquisition of assets of one enterprise by another enterprise results in the acquiring enterprise replacing or substantially replacing the enterprise whose assets are being acquired, in the business or

		<p>the part concerned of the business, in which the acquired enterprise was engaged immediately before the acquisition; or</p> <p>d) The creation of a joint venture to perform, on a lasting basis, all the functions of an autonomous economic entity.</p> <p>An enterprise shall be deemed as having control of another enterprise where such enterprise has conferred the possibility of exercising decisive influence on the other enterprise by reason of rights, contracts or any other means either separately or in combination.</p>
7.	<p>10C</p> <p>Non-application</p> <p>(New Provision)</p>	<p>The purpose of section 10C is to set out four circumstances in which a commercial or economic activity in the market does not amount to a merger for the purposes of Act 712.</p> <p>The four circumstances listed under section 10C are the following: -</p> <p>a) The control is acquired by a person acting in his capacity as receiver or liquidator or an underwriter;</p> <p>b) All of the enterprises involved in the merger are, directly or indirectly, under the control of the same enterprise;</p> <p>c) The control is acquired solely as a result of a testamentary disposition, intestacy or the right of survivorship under a joint tenancy; or</p> <p>d) The control is acquired by an enterprise whose normal activities include the carrying out of transactions and dealings in securities for its own account or for the account of others in the circumstances specified below: -</p> <p>(i) The securities are acquired are on a temporary basis (calculated 12 months from the date on which control of the other enterprise); and</p>

8.	<p align="center">10D</p> <p align="center">Exclusion from the prohibition under section 10A</p> <p align="center">(New Provision)</p>	<p>Section 10D of Act 712 seeks to provide an avenue for enterprises to relieve their liability from the section 10A prohibition; on the basis that the economic efficiencies of the merger or anticipated merger outweigh any adverse effect from the substantial lessening of competition effect caused by the merger or anticipated merger.</p> <p>Any enterprises claiming the benefit following section 10D bear the burden to establish the existence of economic efficiencies.</p>
9.	<p align="center">10E</p> <p align="center">Non-application of sections 4 and 10</p> <p align="center">(New Provision)</p>	<p>Section 10E of Act 712 seeks to provide for the non-application of the prohibitions in section 4 and section 10 of Act 712 to merger-related agreements and conducts.</p> <p>The purpose of having this provision is to provide certainty to the merger parties that any types of agreements or conducts which are necessary for the implementation of the merger as referred to in section 10B will not be captured under sections 4 and 10 prohibitions.</p>
