MALAYSIA COMPETITION COMMISSION

# KAJIAN SEMULA PASARAN

## Chapter 3

*Market review***Power to conduct market review**

11. (1) The Commission may, on its own initiative or upon the request of the Minister, conduct a review into any market in order to determine whether any feature or combination of features of the market prevents, restricts or distorts competition in the market.
- (2) The market review includes a study into—

- (a) the structure of the market concerned;
- (b) the conduct of enterprises in the market;
- (c) the conduct of suppliers and consumers to the enterprises in the market; or
- (d) any other relevant matters.

# **KAJIAN SEMULA PASARAN**

**SURUHANJAYA PERSAINGAN MALAYSIA**  
MALAYSIA COMPETITION COMMISSION

**TERMA RUJUKAN**  
***TERMS OF REFERENCE***

## INTRODUCTION

- **Section 11(1)** of the Competition Act 2010 lays the foundation for the Malaysia Competition Commission (Commission) to **conduct a review into any market** to determine whether **any feature or combination of features of the market prevents, restricts or distorts competition**.
- Following to the market review conducted on food sector, the Commission found on the need **to extend and deepen the market review on the service sector** which focusing on the **distributive trade services**.
- It is crucial to address on the issue of **supply chain optimization** in addressing concerns raised by the consumers on the **impact of rising prices to the cost of living**.

# OBJECTIVE

Key objectives	Specifically...
<b>1</b>  To understand the <b>wholesale and retail sector</b> and identify any <b>anti-competitive conduct</b> in the supply of selected key products	<ul style="list-style-type: none"><li>i To determine the <b>market structure, supply chain and profile</b> of industry players that are involved in wholesale and retail trade for essential goods;</li><li>ii To identify the <b>prices</b> of key products in the wholesale and retail trade services along the supply chain which will be treated with highly confidential;</li><li>iii To assess <b>competition</b> in the wholesale and retail trade for essential goods</li><li>iv To identify <b>anti-competitive practices</b> among the industry players along the supply chain at manufacturing / production, wholesale and retail levels;</li></ul>
<b>2</b>  To assess the prevailing <b>industry practices and regulations</b> that <b>restrict competition</b> and cause unnecessary regulatory burden	<ul style="list-style-type: none"><li>v To determine the <b>extent of market distortion</b> and whether government intervention is necessary in curbing anti-competitive conduct in the distributive trade services; and</li><li>vi To recommend <b>improvements</b> across government agencies and regulators in the identified sector to minimise the actual or potential restrictive effect of regulations on competition in the distributive trade services sub-sector.</li></ul>

## EXPECTED OUTCOME

- 1 To assess overall **market structure, functioning of wholesale and trade services** in the supply chain, **conduct and performance of enterprises** and **anti-competition practices** in the wholesale and retail trade services sector;
- 2 To **enhance the Commission's knowledge** on any feature or combination of features of the wholesale and retail trade services and strengthen the enforcement activities should the enterprises practice any anti-competitive conducts;
- 3 To identify the possibility of **existing legislations and policies** that may **impede competition**; and
- 4 To **recommend measures** to promote competition in the market of wholesale and retail trade services and the areas where the Commission can provide its advocacy to the key stakeholders particularly to the respective government agencies or ministries on the matter.

## SCOPE OF STUDY

The market review will cover on the following aspects for selected area in the wholesale and retail trade services (WRT):

**1**

Overview of the existing legislation and regulations in relation to establishment, business operations, products sourcing and distribution along the value chain of wholesale and retail sector

**2**

Overview of the market structure and supply chain

**3**

Profile of industry players that involve along the supply chain of WRT

**4**

Competition in the supply chain of WRT on the following aspects:

- i. Market share and market concentration; and
- ii. Market dominance and its economy impact on the sector

**5**

Competition concerns in the supply chain of WRT:

- i. Possible anti-competitive conducts; and
- ii. Any existing policy or law that impedes competition in the industry

**6**

Recommendations and conclusion

## METHODOLOGY

The methodology in data gathering and analysis combines inputs populated from a various primary and secondary sources

### SOURCES OF INFORMATION

### OBJECTIVE

#### PRIMARY SOURCE OF INFORMATION

<ul style="list-style-type: none"><li>• Panel expert group</li><li>• Industry interviews</li><li>• Market survey / questionnaires</li><li>• Stakeholder engagements</li></ul>	Insights from subject matter experts and industry players to understand key issues, challenges faced and opinion on measure required to promote fair competition in the market.
---	---
